- Introduction of Faculty exchange program can be a boost for students.
- To help students lay a strong foundation for the development of core values of Student Teacher relationship.
- To enable students to clarify their thoughts in front of a new faculty.

Students and faculty members play an efficient and enthusiastic role in developing values and quality of education. Bengali Honours students of Both institutions have been attended this classes and they made this exchange program successful. Both students and teachers are the important participants in the system of higher education. Students are conceptualized the fundamentals of the Bengali Novels (inc. Kapalkundala) and its importance in our language, Literature and how its diverse morals and ethics have changed our society what it is today. It creates a strong learning environment that enhances academic attainment and develops student's social, cultural and inter-personal human values. Raja Peary Mohan College strongly feel that modern modes of teachings should deal with the emphasis of this type of faculty exchange program. How we can utilize these teachings in our own good. Not only as a part of our studies but also as part of our life. The teachers are all aware of their work and make their pitches which help the students to understand the aspects. Also the teaching instigates students to make their own understanding of folklore as easily as possible. The aim is to guide them in the righteous knowledge of Folklore.

Keeping all this in mind the college started the course in the academic session 2022-23 for all semester students of Dept. of Bengali of both the institutions. The classes was conducted by the Department of Bengali, Raja Peary Mohan College in collaboration with Swami Niswambalananda Girls' College. Classes were held once a week. The classes were arranged in offline mode.
