Brief Report of Add on Course

Women Cell organized an Add on Course on 'Women in Different Paradigms' in session 2021-2022. The course was open to all even semester students of the institution. There was a decent enrolment of students with participation of both boys and girls. This course upholds gender – neutral perspective of Women Cell as well as of our institution. The prime objective of the course has been to inculcate in our students the multi-dimensional connotation of gender and enable them to decipher the complex societal relationships from the perspectives of women and gender. The course intends to investigate the impact of gender identity on human relations throughout history and across cultures, diversity of women's experiences and contributions in society.
