- 5) Furthermore, students who wish to work with NGOs related to climate change will get an edge after completion of this course.

Outcome

- 1) The students have learned and got the idea of climate change and its negative impact to the entire earth.
- 2) Students learned about adaptations and mitigations towards climate change
- 3) Learned about India's policy (action plan) in adapting and mitigating climate change.
- 4) Students also learned about West Bengal's plan of action to combat negative effects of climate change.

About the Institution

Raja Peary Mohan College was founded on 20th June 1887 by an eminent philanthropist, promoter of education and social reformer in nineteenth-century Bengal Raja Joykrishna Mukherjee, who was also a benevolent zamindar of Uttarpara in the Hooghly District of West Bengal.

The college is situated in a place which is very near to the famous Grand Trunk Road and just on the opposite bank of the Hooghly River of the famous temple of Goddess Kali at Dakshineswar. With thirty-one students, Raja Joykrishna Mukherjee established this educational institution with the vision and mission to achieve excellence in higher education.

The vision of the college is to achieve excellence in higher education, empowerment through knowledge, inclusive of socio-economic change and sustainable development.

About the Department of Political Science

The Department of Political Science is one of the oldest departments of our college. The journey began when it got affiliated with the University of Calcutta for the graduate programme in Humanities in 1955. The Honours course in Political Science in our college started in 1966 after it received permission from the University of Calcutta. Since then, the department has been offering both B.A. Honours and General course in Political Science.

The aims of the department have always been

- 1) To provide every student with a conducive environment for studying and equip them with adequate knowledge and employability skills and interpersonal skills to gain meaningful employment or go for higher studies on completion of their studies.
- 2) To mould students as worthy citizens with moral & ethical values with a strong societal commitment to fulfil their obligations to the society and nation at large, and become good citizens.
