Brief Report of Handicrafts Course

Women Cell organized Handicrafts and Jewellery Designing Course with the motive of teaching the art of making wall hangings, jewellery, paper bags, key rings and other decorative and utility items. The course received substantial response from students who regularly attended classes and made beautiful decorative pieces. This course has been introduced for the first time in the session 2022 – 2023. The prime motive behind introducing this course has been to unleash the creativity skills of the students and equip them to take up handicraft and jewellery designing as a future profession. Certificates have been awarded to students after successful completion of the course.
