Report on the Course of Content Writing

(2022-23)

The Department of English of the Raja Peary Mohan College conducted an Add on Course on Content Writing. Keeping the relevance and scope of the area this course was designed for the fifth semester students of the college. Many students were interested and enquired about the course. After then 25 students have enrolled for the course. 30 class hours were conducted in the months of November and December 2022. Classes were kept in the offline mode, and taken at different times without hampering the normal routine of the college. All the faculty members of the English Department took five classes each covering the syllabus and different areas of Content Writing.

Class Attendances were taken to maintain regularity of the students. Apart from teaching, different evaluation processes were followed. Students were given different assignments and they tried to complete on time. Even though some students could not finish the course due to other engagements, at the end 18 students successfully completed the course. Many students felt and expressed that the course was very helpful to them. The Department of English is happy that it could do this Add on Course for the students of the college apart from their regular teachings. In future also the Department will continue organising courses on such relevant topics.
