Career Counselling Cell of Raja Peary Mohan College, from its inception, is working for the benefit of the students in various aspects. The cell takes up different activities like providing job opportunities to the students, both in government sector & private sector, organizing different career awareness programs for students, guiding students in making them qualified so that they can enhance their employability skills, explore different avenues to find jobs, & also provide them important information regarding higher education.

In pursuing this objective, the career counselling cell has taken initiative to commence a certificate course on Development of Employability skills of the students of Raja Peary Mohan College.

About our College:

RAJA PEARY MOHAN COLLEGE was founded on 20th June, 1887 by an eminent philanthropist, promoter of education and social reformer in the nineteenth century Bengal – Raja Joykrishna Mukherjee, who was also a benevolent zamindar of Uttarpara in Hooghly District of West Bengal. The College is situated in a place which is very near to the famous Grand Trunk Road and just on the opposite bank of the Hooghly river.

About the Course :

The usual aim of majority of students pursuing graduation is to secure a job after completion of graduation. As the scope of public sector jobs are reducing day by day, a student has to rely more on private sector jobs for sustenance. The basic requirement for such private sector jobs demand proper grooming of the students which includes development of personality, capability of fluent English speaking, social etiquettes etc. & more importantly how to face the interview. The background of the students of our college, who mostly come from suburbs & completed their higher secondary from Bengali medium schools, are not comfortable with fluency in English. This creates a negative impact upon their personality. Keeping in view all these factors the present course is designed to instill the much needed self confidence among the students, so that they can develop their personality & confidently face the interview.

Eligibility Criteria :

Qualified Higher Secondary Exam

Course Content :

- Soft Skills - grooming, body language, teamwork, time management, social etiquettes, etc.
- Presentation Skills & Communication Skills - speaking clearly, coherently and confidently & functional English and the ability to express themselves clearly in the local language including voice scanning & voice modulation.
- Interview Skills - resume preparation, interview questions, mock interviews.
