- To discuss in details about the 100-hour Certificate program in Banking, Finance & Insurance (CPBFI), that aims to equip students to face the job market & make them job ready.
- To discuss about the ways that CPBFI enhances the employability of the graduates by building right attitude, skills & relevant industry knowledge.
- A friendly discussion about the different perspectives of their proposal with the participants & the resource persons.

Discussion Theme

- Scope of job & present job market scenario.
- About the Institution Bajaj Finance Ltd.
- Students who are eligible to avail the training program.
- Curriculum & Syllabus of the training program.
- Career prospects and job opportunities after completion of the training program.
- Question Answer Session with Participants and Resource Persons.

Schedule of Webinar

6th May 2021 (Thursday) from 3pm online using MS – Team Platform & live YouTube streaming

Outcome

The webinar was conducted to provide awareness among the students about the 100 hour training program in Banking, Finance and Insurance (CPBFI) for final year students appearing for graduation & post-graduation students. The resource persons discussed about the several benefits from the program. There was a lot of enthusiasm from the students' end but probably due to the high fees, the turnout of the students was too low to commencement of the program.

Dear Sir,
Greetings from Centum Learning!

As discussed over the telephone, We are expecting the possibility of partnering with your college for the CPBFI Program.

CPBFI is an employability initiative of Bajaj Finserv, aimed at making graduates employable for financial services sector.

- A 100-hour Certificate Programme in Banking, Finance and Insurance (CPBFI) for final year graduation students and post-graduation students

graduation students and post-graduation students

- Conducted in partnership with degree colleges for their students
- Includes 4 courses:
 - Managing self (12 hours)
 - Communication and Workplace Skills (36 hours)
 - Overview of Retail Banking (24 hours)
 - Overview of insurance (24 hours)
- Trainers for technical subjects have corporate experience, trainers for communication skills have corporate training experience
- At the end of CPBFI, Bajaj recruiters conduct mock interviews during an HR Workshop
- Only students with requisite attendance and minimum score in online assessment qualify for certificate

CPBFI Alumni, a right mix of skills and aspiration

- CPBFI participants are trained for BFSI and are aware of banking, NBFC, life insurance and general insurance products and basic processes.
- CPBFI participants are trained on communication skill, a key requirement of recruiters
- Domain Knowledge & communication skills differentiate them from freshers.
- Compared to MBAs, graduates with CPBFI have lower aspirations and wish for stability than position and growth
- Graduates with CPBFI are easier to hire, easier to deploy and easier to retain compared to other graduates and MBAs

Reasons to consider conducting CPBFI

Significant medium-term benefits with better outgoing students

Significant medium-term benefits with better outgoing students

- CPBFI significantly enhances the employability of graduates by building right attitude and skills and relevant industry knowledge. Students receive 2 certificates after completion of the 30 day programme.
- The training leads to improvement in participation and performance in the collegend itself.
- Unlike most value added programmes, CPBFI is an intense 100 hour programme that allows students to practice their skills and knowledge. A tence and passing of online assessment is mandatory and students receive a "Certificate of Completion" in the end.
- CPBFI is based on the co-investment model where every student pays a nominal fee between Rs 1000 and Rs. 3000. The fee is paid to and reted by the college. Additionally Bajaj Finserv pays a fee subsidy of Rs. 500 per regular student to the college in case of classroom training. This fee and fee subsidy can be utilized by the college for benefit of its students.
- Having a national level training programme like CPBFI can help the college attract top recruiters for campus placement.
- Partnership with a top corporate for conducting an industry designed programme enhances the credits in college accreditations such as NAAC or NIRF.

Benefits of the program:

1. Learning from industry professionals,
2. Students can apply for more than 15 -20 role in industry,
3. Preparation for the same can be done, student want to invest in them to build value,
4. 100 hours of learning through corporate trainers
5. 3 modules –36 hours of Communication, 24 hours of Banking and 24 hours of Insurance and 12 hours of Swaroop.

Also, find below the details of the job role a student can get post attending the course.

CPBFI students are eligible for all entry level jobs and 2 levels above it considering that they have the required skills, knowledge and attitude in place. Typically the roles can range from customer relationship, sales, operations, backend and so on across private banks, insurance companies and NBFCs. The current content of CPBFI enables the student to have enough technical competencies that if he/she is good will be placed immediately in the entry level jobs. If they are more polished the chances are they can get into one level or two levels up as well.

Typically they will be competing with graduates of all colleges as the eligibility for such jobs is only graduation. CPBFI students become distinct and valuable due to his approach, thought process, knowledge of concepts around products and assertive and effective communication to demonstrate his/her skills.

Eagerly waiting to hear from you soon as possible.

Thanks and regards,

Sunit Chaudhury,
