(Under the jurisdiction of Ministry of Corporate Affairs)

HOOGLHY CHAPTER

To  
The Principal  
Raja Peary Mohan College  
Uttarpara, WB

Respected Sir,

In today's world there is a huge demand of good professionals who can cope with the challenges of the competitive environment.

A Company Secretary (CS) is the vital link between the company, its board of directors, shareholders, government and other agencies. A Company Secretary (CS) plays a vital role in company's future and coordinates the management functions and Company policies.

**The Institute of Company Secretaries of India (ICSI)** fulfills this gap by producing good professionals who have the integrated knowledge of multiple disciplines of law, finance and corporate governance. The ICSI is a premier national professional body established under an act of parliament (The Company Secretaries Act, 1980) to regulate and develop the profession of Company Secretaries in India. The Institute is functioning under the administrative jurisdiction of Ministry of Corporate Affairs, Government of India, having its headquarters at New Delhi. It has four Regional Councils, 72 Chapters, more than 3.5 lakhs students and over 60,000 members spread throughout the length and breadth of the country.

**The CS course can be pursued by any student of commerce/arts/science stream after passing class twelfth examinations except fine arts students.**

**We would request you to allow us to conduct an online/physical Career Awareness Program on Company Secretary course in your college for students.** The basic purpose of the Career Awareness Program is to create awareness among the students about Company Secretary Course, role of Company Secretary, future prospects of the profession and career as a Company Secretary after passing the course. **The expected duration of the program would be of one hour and the audience would be College Students of all the semesters. The program will be conducted by the Institute free of cost.**

In this connection, we wish to inform you that officials of our institute will be conducting the physical/ virtual Career Awareness Program for your College on the mutually agreed date & time.

We will be happy to provide you any additional information. We are keen to hear from you on the above proposal.
