## About the College

RAJA PEARY MOHAN COLLEGE was founded on 20th June, 1887 by an eminent philanthropist, promoter of education and social reformer in the nineteenth Century Bengal - Raja Joykrishna Mukherjee, who was also a benevolent zamindar of Uttarpara in Hooghly District of West Bengal. The College is situated in a place which is very near to famous G.T Road and just on the opposite bank of the Hooghly river.

**THE DEPARTMENT OF SANSKRIT** presents a perfect example of teaching and learning within the parameters of the University of Calcutta regulations. The Department of Sanskrit exists effectively but silently, without raising hue and cry, being surrounded by other departments with more faculty and students strength. Sanskrit, being a classical subject and probably due to lesser demands in job markets, does not draw as many students as it used to have even a few decades earlier. Two UGC full time teachers and two SACT are improving the Department. B.A. Honours and General Degree Courses are available here. The department is carrying a rich tradition and legacy as it is one of the older department of the College.
